Being Brilloca

More than ever, bathrooms have become the heart of every house. After all, it's a place that lets people unwind. Today, after catering to a wide cross-section of customers with a versatile range of best-in-class bathware products, and creating the iconic brand 'Hindware', Brilloca is known to be a leading Building Materials Company in India.

We offer complete bathroom solutions that can give any bathroom a personality of its own. We have a diverse product range including water closets, washbasins, faucets, bathtubs, showers, shower enclosures and vanities.

We believe in setting new trends and improving lives by offering more than just products. With innovation, customer satisfaction, and quality control, we look forward to winning the trust of our consumers, who become our brand ambassadors for life.

Excellence begins with decades of trust

Our journey began in 1960 with a collaboration with Twyfords, UK, as Hindustan Twyfords Limited. Subsequently renamed as HSIL Limited in 2009. After becoming the first Company to introduce vitreous china sanitaryware in India in 1962, today we provide a diverse and robust range of state-of-the-bathroom products.

A distinct entity for Building Products Division came into being as Brilloca Limited in 2019, thereby ensuring sharper focus, market competitiveness, and efficiencies to continue to serve better.

To date, we are honoured to have the unparalleled trust and confidence of our customers for over 60 years now.

Our stylish bathroom solutions are crafted using the best materials and latest industry leading technologies. During the last ten years, we have received various certifications and design and innovation awards, making us India's most awarded and certified bathroom products company in India.

Our footprints include manufacturing facilities in Haryana, Telangana & Rajasthan, and strong retail network with 400+ brand stores, creating a loyal base of millions of customers across the country.

ECO-FRIENDLY MANUFACTURING

Our plants comply with green building norms of the Indian Green Building Council. Various measures undertaken:

Factory designing

Energy Conservation

Solar Rooftops

Water Conservation

- 90% of the motors installed in the factory are of IE3 efficiency class.

- CTI certified cooling towers have been installed to reduce energy consumption.

ENERGY

CONSERVATION AT FACTORIES

WATER-SAVING & PROCESS WASTE RECYCLING

- Rainwater harvesting is implemented.

- Domestic wastewater is treated through the Sewage Treatment Plant. Recycled water is used for landscaping and manufacturing process.

- Kehrani manufacturing plant holds a Zero Liquid Discharge status.

- Solar panels installed on the roofs to generate electricity.
- Total electricity generated across 4 plants - 3638 kWh.

CERTIFICATIONS

We are committed to constantly improve our products and services through innovative technology, meaningful human resource development, a quality management system of national/international standards, and reviewing quality objectives for superior customer values and aspirations.

AWARDS & RECOGNITIONS

Our quest to passionately strive and serve you with the best has earned us recognition as one of the leading sanitaryware brands in India. We are honoured to share with you the laurels and accolades we have received that drive us to work harder towards enhancing our customers' daily lifestyle.

*Star rated WEP-I listed IAPMO certified water efficient products.
**T&C Apply (Savings w.r.t standard 10L flushing).

(*Certified by IAPMO for select Hindware SKU)

WEP-I IAPMO Certified Water Star Rating Products

First to introduce Water Star rated products certified by IAPMO- a range of EWCs have been bestowed UPC-1 certification for being 2 & 3 star rated for their reduced water consumption during full flush/half flush.

The Hindware EWCs and urinals can now effectively save large quantities of this precious resource. Innovating constantly to provide you with the best, we are committed to offer you products that bestow you with a better life and a better world.

At Hindware, our efforts to create a sustainable future have garnered us a UPC- I star rating certification by International Association of Plumbing and Mechanical officials (IAPMO).

This prestigious certificate has been awarded to us for our use of water efficient techniques and our range of futuristic, green building sanitaryware products.

This certificate is awarded to those organizations who have been tremendously involved in sustainable and water efficient practices through constant innovation and manufacturing expertise.

AD

CAMPAIGN

Bathrooms are integral to a person's holistic well-being and are no longer seen as mere utility. That's why the Hindware Italian Collection has been designed keeping contemporary India in mind. The products are a perfect amalgamation of thoughtful features and beautiful designs.

The Collection features products that are functionally-led, high in performance, yet aesthetically stunning to look at.

From water closets that use minimum space to fit into the urban home, to eco-friendly faucets which save up to 52% water, or showers that give the perfect water temperature every time, all our products are designed to not just look beautiful but also function in a thoughtful way.

That's why our campaign "Thoughtful Is Beautiful" is a reflection of everything that the Hindware Italian Collection stands for.
